RE: Seventeenth Annual Central Florida Construction Career Days For Area High School Students

The Florida Transportation Builders Association and Industry Partners, the Federal Highway Administration, and the Florida Department of Transportation (FDOT), in conjunction with Brevard, Flagler, Lake, Marion, Orange, Osceola, Seminole, Sumter and Volusia County Schools will be hosting the Seventeenth Annual Central Florida Construction Career Days from **January 26-27, 2017** at the **Central Florida Fairgrounds**, 4603 W. Colonial Dr., Orlando, FL, 32808.

Our goal is to educate students on career opportunities in the transportation construction industry in Central Florida, an industry that is essential to improving the transportation methods that affect all of us. The participating schools will send students for approximately five hours of activities provided by our industry partners and the FDOT. The student activities will include educational displays, equipment operations, and learning labs.

**Construction Career Days, Inc. is a public charity with a 501C3 designation (CH33433).** We humbly ask for your sincere support via sponsorships, learning labs, or donations, described below:

1. Sponsorships						
Level	Amount	What does this offer?				
		Platinum Sponsor Board (Will also be used at various CCD events)	Company Name on CCD Student/Teacher Gifts	Career Center Booth	Company Name on CCD Sponsor Board	Link on ccdfl.com website
Platinum	\$1,500	X	X	X	X	X
Gold	\$1,000		X	X	X	X
Silver	\$500			X	X	X
Bronze	\$250				X	X

**Career Center:** The Career Center is a trade show set-up where the students can learn about construction career opportunities from contractors, consultants, and trades. No charge for non-profit organizations, schools and the military. All other for-profit companies/organizations must be at least a Silver Sponsor to exhibit in the Career Center.  
**No refunds or exchanges given for the sponsorship donations.**

### 2. Learning Lab / Equipment

A learning lab is where students can try their hands at various practices in the construction industry, such as bridge design using computers, surveying, concrete and asphalt mix and testing, road construction, masonry and MOT. One of the learning labs is the equipment area, where students are given the opportunity to operate equipment. **Since the donation of a learning lab/equipment is a heavy time and/or material commitment, your company name will automatically be listed on the CCD Student/ Teacher Gifts and CCD Sponsor Board.**

### 3. Donations (via Giveaway Gifts and Prizes)

Any donations large or small, such as water, gift certificates, discount coupons, admission tickets, promotional merchandise, etc can be used as either prize giveaways for student participation or for the "goody bags" distributed to approximately 2,000 students throughout the event. Depending on the value of the gifts donated, your company will be displayed on the CCD Sponsor Board and CCD Student/ Teacher gifts as per the levels identified above for sponsorships.

If interested in supporting CCD in any of the above manners please register on [www.ccdfl.com](http://www.ccdfl.com), select 'Registration & Sponsorships', select the 'Central Florida' region. Companies are not limited to the number of areas interested in, you will be contacted to confirm your registration.
